

# Pine Point Chocolate Pointing Labs

## Stud Service Contract

This contract is between Michael Liebrum, herein after referred to as "Stud Dog Owner" and/or "Breeder" and \_\_\_\_\_, herein after referred to as "Female Owner."

Fee Amount: \_\_\_\_\_

Stud Dog: \_\_\_\_\_ AKC#: \_\_\_\_\_

Female: \_\_\_\_\_ AKC#: \_\_\_\_\_

### TERMS OF CONTRACT:

#### Stud Fee Schedule:

A deposit of \$200 is to be received from the female owner at the time she is dropped off for breeding. This deposit will be applied to the total stud fee. The remaining balance of the stud fee is due within 10 days after the female whelps. The stud owners reserve the right to receive a puppy (their pick of the litter) in lieu of the stud fee. If the stud owners choose to exercise this option, they must notify the female owner before the female whelps.

#### Registration:

Stud confirmation for AKC and/or UKC litter registration (whether online or paper copy) will not be completed until stud fee has been paid in full.

#### Successful Breeding:

If the female whelps four or more puppies, this is considered a successful breeding. If the female whelps four or more puppies, but one or more of those puppies die, this is also considered a successful breeding and the owner of the female will pay the full stud fee. If the female has less than four puppies, we will do a repeat breeding for half the stud fee with the same stud or similar stud if the same stud is unavailable.

#### Unsuccessful Breeding:

If the female does not have a successful pregnancy resulting from this breeding, the stud owner will breed her to the same stud (or to one of our other comparable studs), applying the original deposit to the second breeding. If she does not have a successful pregnancy resulting from a second mating, the deposit is non-refundable.
